

✓ Our Branded Content Services

Corporate Films

Your company has a story worth telling. We produce high-quality corporate videos that enhance your brand image and build trust.

- Company profiles & executive messages
- Internal communication & training films
- Product demos & service explainers

NGO & Social Impact Films

We help NGOs and humanitarian agencies document and showcase their real-world impact—on communities, the environment, and policy.

- Project implementation stories
- Beneficiary testimonials & field diaries
- Monitoring, evaluation, and reporting visuals

Institutional Films

For governments, educational institutions, and public agencies, we provide tailored films that inform, educate, and engage.

- Policy awareness campaigns
 - Educational documentaries
 - Institutional overviews and promotional films
-

How We Work

1. **Concept Development** – We listen to your goals and craft a story arc.
 2. **Scripting & Planning** – Our team develops a powerful narrative with clear messaging.
 3. **Production** – Professional filming with high-end cameras, drones, sound, and lighting.
 4. **Post-Production** – Editing, voice-over, subtitles, and branding.
 5. **Delivery** – Final content optimized for web, TV, social, or internal use.
-

Why Choose Redwood Films?

-  **Storytelling Experts** – Emotion-led narratives that inspire action.
-  **Goal-Oriented** – Content designed to achieve real communication outcomes.
-  **Multi-Platform Ready** – Videos formatted for YouTube, social media, websites, and presentations.
-  **Discreet & Professional** – We work in sensitive environments with utmost professionalism.
